

Pete For Governor Instructions (WRITE SMALL)*

Signature Printed Name Street Address (With City & Zip Code) Date

Each sheet is good for only one county (*By the way, be sure & carry some voter registration cards in your back pocket, so you can get folks registered as you go*).

- 1) When done, the person who collected the signatures on each sheet must have their name & address notarized (*The collector must be a registered voter.*).
- 2) Turn in the sheets to the county clerk to be verified.
- 3) After the county clerk has verified the sheets, mail them to:

Pete Peterson
P.O. Box 140391
Boise, ID 83714

**Thanks for your help. Please include all the information or your signature will not count. (Only about 50% of signatures will turn out to be registered voters, so don't be discouraged. I need 1,000 to get on the ballot, but the more I get the better.)*

Best wishes,

Pete
